

# THE GRUFFALO<sup>®</sup>

The big forest is full of dangers. It's good to have a strong friend.

And if you don't have one, you have to invent one.

Like the little mouse who threatens anyone who tries to eat her with the terrible Gruffalo.

But the Gruffalo doesn't even exist. Or does he?

# The Breakpoints

Dear children, dear gruffalo fans,  
big and small,

we would like to welcome you to the Gruffalo Trail in Weinheim. The adventure with the scary shaggy monster, the mouse and their companions begins in Weinheim.

The Gruffalo Trail leads up the Burgweg towards the ruins of Windeck Castle, where a real „Gruffalo-feast“ awaits you. You will meet the figures from the Gruffalo story. Would you like to become friends?

At each station you will find more information about the Gruffalo and Weinheim.

And watch out: At each figure we will give you a riddle. The first letters of each answer form a word (But please note: you have to find the GERMAN word) - and that's the solution. You can pick up a little surprise at the Tourist Information. Simply write the word on a piece of paper and hand it in.

The City of Weinheim and BELTZ Publishing House wish you good luck!

## Die Stationen

liebe große  
Fans,

h auf dem  
steuer

An jeder Station gibt es weitere Infos zum  
Grüffelo und zu Weinheim.

Und aufgepasst: An jeder Figur geben wir  
 Euch ein Rätsel auf. Die Anfangsbuchstaben  
 der jeweiligen Antwort ergeben wieder ein  
 Wort – und das ist die Lösung.

Damit könnt Ihr Euch an der Tourist-Info  
 einen Preis abholen. Schreibt einfach das  
 Wort auf einen Zettel und gebt ihn dort ab.

Viel Erfolg wünschen die Stadt Weinheim  
 BELTZ Verlag.
